

Deep Blue Sea Week

Lunch Order Form Conference Days

Dear Parent or Guardian,

The LWSD Nutrition Services Department is excited to announce our fun and exciting **Deep Blue Sea Week!** This will coincide with January/February conferences on the dates listed below. Each day will be a different themed grab and go lunch for students to enjoy as regular hot lunch will not be served. Each grab and go lunch will have a fact sheet about our friends in the ocean. In addition to the Conference Day grab and go specials, we will be having a Deep Blue Sea themed lunch on our regular lunch on Wednesday, January 30 (No order form needed). Be sure to watch the January lunch menu for the special announcement!

USDA regulations require that lunches be consumed at your student's school (unless it is a supervised school field trip). Please make sure you fill out a separate form for each child and choose which type of sandwich they would like. We will only prepare the number of lunches needed so please make sure forms are turned in by **January 22**.

Lunches are \$3.00 each unless otherwise qualified through the meal benefit program. Adults \$4.00.
