

# Become a LINKS Lunch Buddy Today!

Did you know there are students at Lake Washington School District elementary schools in need of a mentor? Join a student in need of some one-on-one time for lunch, games, crafts and conversation.

The LINKS Lunch Buddy program serves over 100 students in Redmond, Kirkland and Sammamish. Our volunteers spent over 1,100 hours with our students last school year!

“The thing I enjoy most is the look on their faces when you show up at the school - genuine happiness.”

- Jeff Johnson, Lunch Buddy since 2000
